## Steel band covers

To protect the cables against flying sparks, radiated heat and small chips, steel band covers made from corrosion-resistant and acid-resistant spring band steel are available.

- » Cost-effective cover variant for **half-stayed** version
- » Maximum steel band width: 1000 mm

### Guiding of the steel band:

with steel band holders on the inside of the side band

### Fastening of the steel band:

**Inside:** with steel band holders on the end connectors

**Outside:** with the fastening screws of the end connectors
